

# Cookie & Teddy

**What are we?**

Mini Rex & Plush Lop Rabbits

**Where do I live in the wild?**

Wild rabbits live all over the world in grassy habitats. They dig burrows under the ground for protection from predators and the weather.

**How are we looked after as pets?**

We have a large indoor hutch to sleep in at night. During the day we love to be out in the garden so we can eat grass and run around. We don't like to be rained on though, so we have our own gazebo to shelter under and an outdoor hutch to relax in if we want to.

**What do we eat?**

We have plenty of grass or hay to graze on all the time. For breakfast we have a bowl of greens and in the evening we have a small portion of rabbit nuggets.

**What do we look like?**

Cookie is a Rex rabbit with velvety white and brown fur and big ears that stand up when I am listening. Ted is a pale brown bunny with big floppy ears and soft fur. He looks just like a teddy bear bunny.

**Why do we love Cookie & Teddy?**

Cookie & Ted are very friendly, gentle and super soft! They are happy to sit on their pet cushions on your lap so you can feel just how soft they are.

## Our Stories

Cookie & Teddy came to Lion Learners East Midlands from the same breeder as young bunnies. They have been best friends ever since, despite being quite different in character. Cookie is lively, confident and very much the boss! He is also a very friendly boy who loves everyone and every thing! Ted is calmer and more laid back , but can also be rather cheeky at times!

### Where can we visit?

Almost anywhere!

Schools, parties, care homes, nurseries, pre-schools, events and anywhere else you can think of!

We can be handled by children and adults of all ages.
