

Hello, we're Ada, Iris and Ethel the Guinea Pigs

"We are sisters and are very sweet-natured and gentle. Guinea pigs are very social animals and always need a guinea pig friend. Which is why we always go everywhere together."

Where we're from

We're originally native to South America, in particular Peru.

What we like to do

We munch food all day long, it's our favourite thing! We also like to rub noses to say hello.

What we like to eat

Lots of yummy hay, grass and veggies!
